SCHOOL NEWS

School enrollment for 2007 is underway. We are adding second grade to our school.

We do not have space in our current rented facility so we are looking for an additional room to rent to house first and second grades until our church building is complete enough to move in.

Five of our first grade students have reached the status of "free readers" and have been presented with new Bibles as a reward to encourage them to read God's Word.

So far this year three children have accepted the Lord as their Savior. Pray our chapel time will be fruitful.

We still need a teacher to train for next year. Our program depends on the Lord supplying one new teacher trainee each year. This is a big prayer request.

YOUTH GROUP NEWS

November 12th will be our first youth meeting/service. Pasta Jim and Bro. Mahe will be organizing this activity. Pray for them.

We have a real need in this area of ministry. Recently the paper published the latest statistics..... Over 42% of Port Vila's population is under the age of 15. Please pray for this ministry. Especially remember our teens as they invite friends to come with them.

WHAT'S HAPPENING WITH THE BUILDING PROJECT

We have had many delays on our building. The robbery stalled the project for about six weeks while funds came in to replace tools. Then rainy weather took over for four weeks with a week break then four more weeks of rain made more delays. We tried working in the rain and had Lynn and Jim and myself with pneumonia.

All three of our teachers caught flu along with several others from working in the rain. That really slowed the work with most of our workers sick.

Please pray for sunshine and a healthy work force. We desperately need the building completed as we are running out of space.

BABY DEDICATION

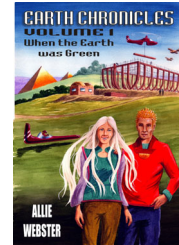

Ellis Welin was born on August 13 and pictured above are Anne and Edwin as they dedicated their second son to the Lord. Pray for the Welin family as they raise Ellis in the nurture and admonition of the Lord.
