Graduation

November 17th Grace Baptist School Authority held its' second graduation service.

Edwin Welin was our third graduate and will be our second grade teacher for the 2007 school year.

Edwin's family and over 150 friends and school parents attended the service.

Edwin's speech was a testimony of how God had worked in his life and what a tremendous change and blessing was his since being saved, baptized and surrendering to serve as a Christian School teacher. Please pray for Edwin as he undertakes his duties as a teacher and witness for the Lord.

School News

Our end of the school year activities and awards presentations were a great success. A special thank you to each individual and church who sent teacher award boxes, certificates and supplies to help during the school year.

Each teacher had a good supply of certificates to present to students for their hard work. Thank you for your help and participation in this ministry.

Tropical Christmas

Saturday December Grace Bible Baptist Church held our second annual Old Fashioned Christmas Picnic.

It was a day to celebrate, share covered dishes and play and relax.

The children enjoyed sack races, soccer and balloon games. The teens played volleyball with the adults enjoying volleyball with the teens and Petanque (a lawn bowls game).

Each Saturday during 2006 weather permitting and tools available we have worked on the church building, first digging by hand all the footings then tying steel and mixing cement.

The Christmas Picnic was a day to just enjoy being on the church property and reflecting on God's grace for the year.

CYCLONE SEASON IS UPON US

Please pray for us during our summer cyclone season. So far the only cyclone in the area by passed us. Pray we have a safe season and no damage to our building site.

Salvation

It was all smiles for our newest babe in Christ. Detective Inspector Frazer Tambe trusted Jesus as his Lord and Saviour Christmas Eve. He has a tough job. Please pray for him as he follows his Lord.

Prayer and Praise

Praise – Frazer accepted Christ as Saviour on Christmas Eve

Praise - Church attendance is holding in the 50's thru the summer slump

Prayer– One of our most faithful men is currently only coming to worship service on Sunday mornings. His other service areas are sporadic. Pray the Lord will help him in areas where he is struggling.

Prayer - We could sure use help with our building. We need skilled workers. A team of builders for a few weeks would be a BIG BLESSING to this mission project.

Praise - Youth from our youth group are continuing to come during the break.

Prayer - Pray for money to roof our building. This is a big need.

Praise - Rashelle had a very good diabetes check-up in N. Z.

Prayer – We need a student teacher to train in the new year.

Thank You for your Support November - December 2006
