

Continued Blessings

Pictured above is Ann Wellin at her baptism. We rejoice in seeing Ann as a part of Grace Bible Baptist church. Her husband Edwin is one of our teachers and son Micky was recently baptized.

Also pictured is Rebecca one of our youth group teens who recently received the Lord as Saviour.

The third lady is Dorothy Sifo who also trusted the Lord as her personal Saviour. Thank you for praying for the salvation of our people.

We've been praying for Dorothy for over six years.

Prayer changes the hearts and lives of people. Thank you for your faithful prayers.

Pray for the growth of these ladies as they learn to trust and follow the Lord faithfully.

It is exciting to be able to share these blessings with you as we see people trust the Lord and follow Him in believer's baptism.

School News

This school year is flying by. Our third term is over half way through. Please continue in prayer for classroom space for our third grade class next year. This is a desperate need.

Please be in prayer for Ari as she teaches our teacher in training.

While we are in the states Lynn will be collecting books and materials that can be used in our Christian school. Home school materials are welcome too.

If your school has extra text books, bulletin board materials or boarders, crayons, old readers or other school supplies that you would like to donate we will be happy to collect them when we report to your church.

ON THE ROAD

So far we have been in several churches in Missouri and Iowa. During September we will be reporting and in mission conferences in Texas.

For October our calendar is full with mission conferences in Georgia, Iowa and Michigan. November, finds us in Illinois, Michigan and Indiana. We still have a couple open services in November. Pastors we want to report to all our churches if possible. If you would like us to report to your church please contact us by phone at (417)861-8224 or our email. We are trying to report by months in various states due to the high cost of fuel and time traveling back and forth.

Furlough

We are back and settling into life in the USA. We are making Springfield, Mo our base.

We rejoice that we have had a chance to catch up with family. We got to hug and cuddle my son and his wife's two granddaughters that we met for the first time. Pray with us that this furlough will be a time of refreshing for us.
